

One place. A managed advertising presence.

Illustrative scope for discussion - September 6, 2026

One workplace or property; a 500-person planning audience. Monthly planning range: **\$1,200-\$2,200**. This is an example, not a quote, typical customer-spend claim or delivery guarantee.

Worked monthly total	\$2,200 = \$1,520 media allocation + \$680 service fee. The lower example is \$1,200 = \$830 media + \$370 service.
Area	One workplace or property and its agreed surrounding area; platform location eligibility checked before launch.
Surfaces	Facebook Feed, Instagram Feed, Facebook Stories and Instagram Stories.
Media allocation	\$1,520/month in this worked scope. Example range: \$830-\$1,520/month.
Service fee	\$680/month for creative, operation and reporting. Example range: \$370-\$680/month.
Creative owner	RevFirma prepares the ads from your brand assets; you approve the message. Sample scope: four launch variants and a review every two weeks.
Term & cadence	Monthly, no minimum term in the current configuration offer. First review period: 30 days. Weekly delivery and cost digest; dated decisions available during your review with RevFirma.
Before launch	Agree geography, goal, permissions, billing, creative and the destination page. Extra media requires authorization.
Operating agreement	RevFirma recommends; you authorize; the platform serves. Permissions are agreed before launch.
After your inquiry	Reply target: within one business day. We confirm the objective and area, then send the scope and setup steps. Prepare Page/ad-account access, brand assets, destination URL, billing contact and geography.

Pricing basis: activate.revfirma.com, September 6, 2026. The service component is the displayed total less its media allocation. Proposed creative counts, reply target and exact area are confirmed in your written plan. Submitting an inquiry does not authorize spending.
